

# Adjectives, Negatives and Plurals

## Revision

### Rappel: Adjectives

Most adjectives **GO AFTER** the work they are describing. They also need to **AGREE** with the word being described – an ‘e’ and/or ‘s’ *usually*\* needs to be added.

**\*Look back to Vocab Booklet 1 to remind yourself of the exceptions!**

### Rappel: Negatives

**ne...pas** : not

**ne... jamais** : never; not ever

**ne ...rien** : nothing; not anything

**ne... plus** : no longer; not any more

### Rappel: Plurals

**Usually you just an ‘s’ to the word, but there are exceptions!**

eg. des chats: some cats      **BUT**

des oiseaux: some birds
