

Adjectives, Negatives and Plurals

Revision

Rappel: Adjectives

Most adjectives **GO AFTER** the work they are describing. They also need to **AGREE** with the word being described – an ‘e’ and/or ‘s’ *usually** needs to be added.

***Look back to Vocab Booklet 1 to remind yourself of the exceptions!**

Rappel: Negatives

ne...pas : not

ne... jamais : never; not ever

ne ...rien : nothing; not anything

ne... plus : no longer; not any more

Rappel: Plurals

Usually you just an ‘s’ to the word, but there are exceptions!

eg.

des chats: some cats

BUT

des oiseaux: some birds
